PUBLIC COMMUNICATIONS SERVICES, INC., VALUE ADDED COMMUNICATIONS, INC.,

STREAMLINED PLEADING CYCLE ESTABLISHED

WC Docket No. 11-184

Comments Due: November 17, 2011
Reply Comments Due: November 25, 2011

On October 28, 2011, ASP GTEL Holdco, LLC (ASP GTL), Global Tel*Link Corporation (GTL), DSI-ITI, LLC (DSI-ITI), Public Communications Services, Inc. (PCS), Value-Added Communications, Inc. (VAC), and Conversant Technologies, Inc. (CTI) (GTL, DSI-ITI, PCS, VAC, and CTI collectively, the Acquired Entities) (ASP GTL and the Acquired Entities collectively, Applicants) filed an application pursuant to section 63.03 of the Commission's rules¹ to transfer ultimate control of the Acquired Entities to ASP GTL.

DSI-ITI, PCS, VAC, and CTI are wholly owned subsidiaries of GTL. Applicants state that each entity has authority to provide interstate services in multiple states and specializes in the provision of inmate calling services to correctional facilities. GTL is a wholly owned subsidiary of GTEL Holdings, Inc., which is, in turn, a wholly owned subsidiary of GTEL Acquisition Corp. GTEL Acquisition Corp. is wholly owned by GTEL Holding, LLC, the ultimate parent company of the Acquired Entities. All entities are U.S.-based. ASP GTL, a Delaware limited liability company, is not, itself, a telecommunications provider. Applicants state that ASP GTEL Investco, LLC (ASP Investco), a Delaware limited liability company, will own 90 percent or more of ASP GTL.² American Securities Partners VI, L.P. (ASP VI), a Delaware limited partnership, will own 95.7 percent of ASP Investco. ASP Investco and ASP IV are private equity entities. The general partner of ASP VI is American Securities Associates VI, LLC (ASA VI), a Delaware limited liability company, that will own 1 percent of ASP VI. The following individuals, all U.S. citizens, hold a 10 percent or greater (but less than 50 percent)

¹ 47 C.F.R. § 63.03; *see* 47 U.S.C. § 214. Applicants are also filing applications for transfer of control associated with authorization for international services. Any action on this domestic section 214 application is without prejudice to Commission action on other related, pending applications.

² Applicants state that current management of the Acquired Entities will have an equity interest individually and in the aggregate of less than 10 percent in ASP GTL, but that the exact amount has not yet been determined. They further state that, other than ASP Investco, no other person or entity will hold a 10 percent or greater direct or indirect ownership interest in ASP GTL.

ownership interest in ASA VI: Michael G. Fisch, Paul Rossetti, David Horing, and Matthew LeBaron. Applicants state that neither ASP GTL nor any of its 10 percent or greater direct or indirect owners hold interests in any other telecommunications entity.

Pursuant to the terms of the proposed transaction, GTEL Holding, LLC will transfer control of GTEL Acquisition Corp., GTEL Holdings, Inc., GTL, DSI-ITI, PCS, VAC, and CTI to ASP GTL. As a result, GTEL Acquisition Corp. will become a wholly owned subsidiary of ASP GTL, which will own 100 percent of the stock of GTEL Acquisition Corp. and which will result in ASP GTL acquiring ultimate control of GTL and its wholly owned subsidiaries. Applicants assert that the proposed transaction is entitled to presumptive streamlined treatment under section 63.03(b)(2)(i) of the Commission's rules and that a grant of the application will serve the public interest, convenience, and necessity.³
